DEDICATION

HELEN L. PAYNE

PATRICIA J. PICKENS

Helen L. Payne and Patricia J. Pickens started teaching at Monroeville the 1953-54 school year. Through the years Miss Payne has taught Social Studies, Physical Education, Drivers Training, Government, and has been Athletic Director along with advisor for GAA and GRA. She is known for planning dinners, getting people involved, and helping others. She was instrumental in the May Day ceremonies that eventually led to Homecoming.

Elementary Physical Education, Drivers Training, Band, Chorus, and English are but a few areas Miss Pickens has instructed. She was on the committees to form the Monroeville Teachers Association and its Constitution. She also helped form the Link Scholarship given each year to a graduate.

We dedicate this yearbook to you both for your combined sixty-six years of service to Monroeville Public Schools.

May you live a long life,
Full of gladness and health,
With a pocket of gold
As the least of your wealth.
May the dreams you hold dearest,
Be those which come true,
The kindness you spread,
Keep returning to you.

An Irish Blessing

May the friendships you make,
Be those which endure,
And all of your grey clouds,
Be small ones, for sure.
And trusting in Him
To whom we all pray,
May a song fill your heart,
Every step of the way.

Grace E. Easley.

SEVENTH GRADE

"We've Only Just Begun"

A busy but fun year

The class of 1991 sure had a busy but fun year. For being the first year in Junior High there were many things to be a part of, sports were a main interest.

The seventh grade football team was cheered to victory with 5 wins and 1 loss, coached by Mr. Brown. The volleyball team finished their season with 4 wins and 9 losses, coached by Mrs. Ott. The girls basketball team coached by Mr. Bughman had an unsuccessful year but learned many fundamentals. The boys basketball also coached by Mr. Bughman shot into action right away with 7 wins and 10 losses. Another popular sport was track coached by Mr. Brown.

The seventh grade officers, along with the help of the class, arranged two fun nights. The first held in October and the second in March. A picnic at Marsh Field was also held.

Thanks to everyone in the class of 1991 who made this year a great year.

We look forward with eagerness

The class of 1990 is looking forward to a very interesting future after enjoying a successful year in academics and sports.

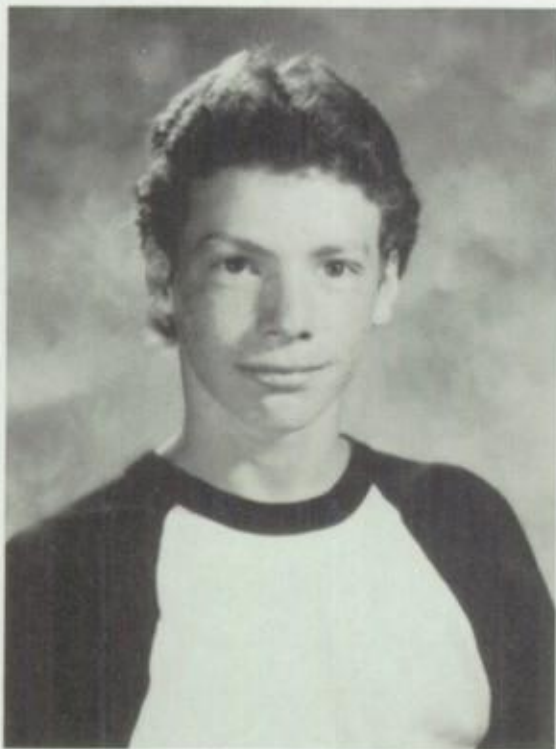

At least ten of our class were honored each grading period for making the honor roll. The Academic Challenge team were most successful in winning their first two matches. Members were: Lori Krueger, Christy Wilson, Russell Keysor, Melanie Geiger, Andy Miller, Tim Lindenberger, Cheryl Smith, Mimi LoPresti, Krista Schwochow, Tracy Cook, Jassen Summers, Bonnie Dominick, Steve Lombard, Chad Gumbert, James Vick, and Tina Corte. For the fifth year in a row, Tracy Cook walked off

a successful year in academics and sports

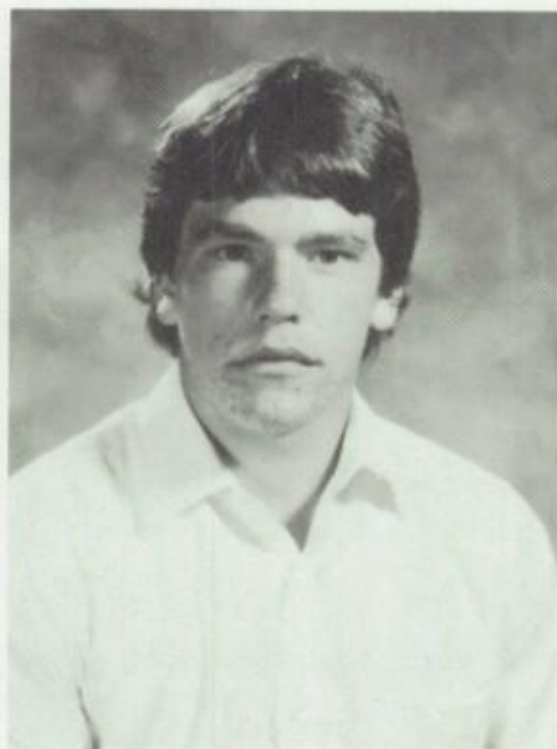

with top honors in the Huran County Spelling Bee.

The football team finished their season with a record of 6-1 while the volleyball team had a record of 3-10. The girls basketball team lost all thirteen of their games but gained valuable experience. The boys ended their basketball season with a 3-11 record.

Our class enjoyed a very successful and happy year. As our Jr. High days come to an end we look forward with eagerness to the next four years of high school.

"That's What Friends Are For"

The freshmen year

The freshmen year was quite an adjustment for all. This year we learned about deciding on our own classes, by either taking college preparatory, general business, or general classes. We also learned about responsibility by being able to participate in extracurricular activities. We participated in football while a few of our hard running freshmen were involved in cross country with Tonya Good going to state and placing fifth. Volleyball was another sport which we were involved in. We had girls playing Reserve and some played Varsity during tournaments.

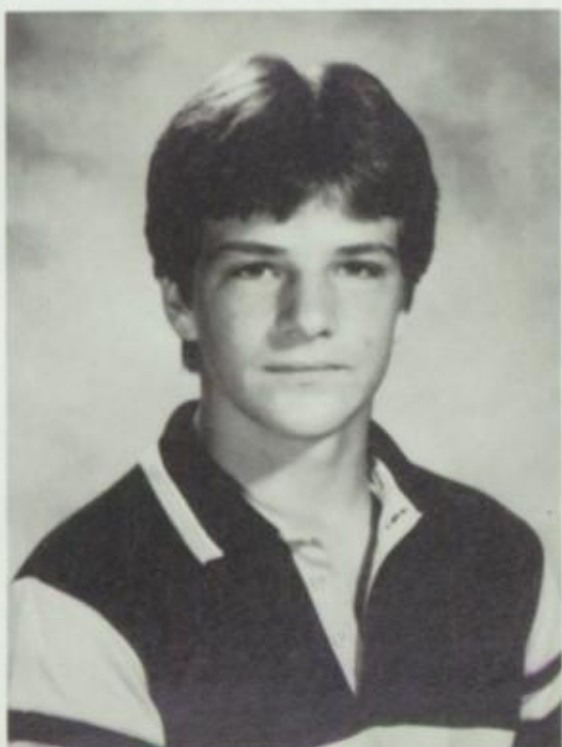

When the fall sports season ended the freshmen didn't quit, we came back strong by participating in winter sports. The boy's basketball team had a good year and gained a lot of experience during their winning season with a record of 8-8. The boys were not alone in all their victories. We had five cheerleaders which made the team locker signs and cheered them to victory. The girls also got a chance to play in a basketball program. Wrestling was another sport which was introduced to us as we started our high school career. A lot of boys found wrestling a competitive sport which took dedication. Travis Barman had no problem with the rugged schedule and hard training as he became District-runner-up and then went on to Regionals. The boys were not alone though, we had girls that participated as mat-maids. These girls supported the team and took care of the mats.

When the cold left the warmth came and so did spring sports. Baseball was one of the two spring sports which freshmen boys participated in this year. Track was the other sport which both boys and girls were involved in. Jackie Perry, Belynda Missig, and Tami Schaffer all made it to finals in districts while Tonya Good went on to state.

Sports were not the only thing which we participated in. We had students in band, choir, flagcorp, and a majorette. These students performed during half-time at football games and for the Homecoming Assembly. The whole class also participated in Homecoming by choosing Debbie Smith as our attendant. Freshmen students were also in FFA this year. The students held a banquet and voted Debbie Smith as the attendant. Another project the class enjoyed was participating in Hearts Day. The freshmen came in second and really enjoyed the challenges of the various events. Monty Kessler was the only freshmen to participate in the school play "Charming Billy", he portrayed a teenage boy. Two boys of the freshmen class were involved in the science fair. Dennis Bixby went all the way to Science Scholarship Day where he received a superior rating.

For fund raisers we sold candy and had a freshmen fun night. At the fun night kids could play basketball or dance.

All in all the first year of high school for the freshmen was fun and educational.

We came together as a class

This year was a success for us after we adjusted to the new administrators and faculty members. The year began with our class selecting Sue Palmer as our Homecoming attendant.

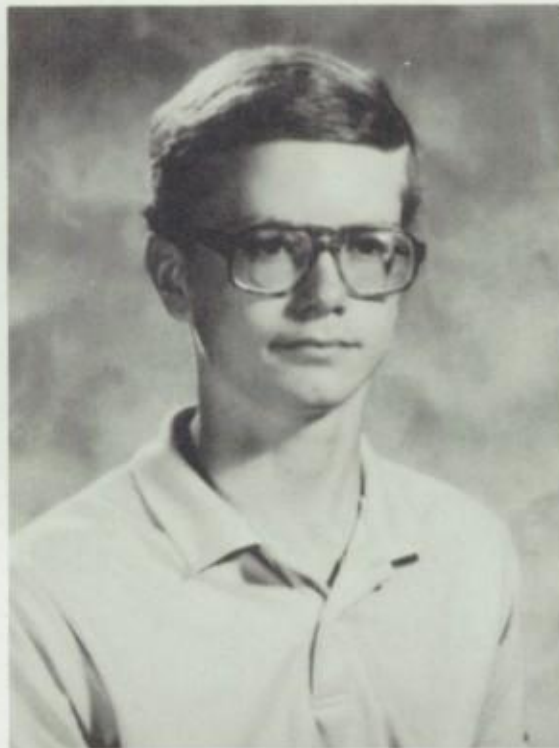

We came together as a class to place second in Dollars for Scholars. Our geography class took a trip to Cleveland. There we visited the West Side Market, Stauffer's Inn on the Square, Terminal Tower and Higbee's Department Store.

Our class fund raiser was the famous magazine sale which was held in late March and included records and tapes this year. With this sale our class hopes to surprise the class of '87 with a magnificent prom.

"Party All The Time"

We have climbed the hill

The juniors rocked through the 1985-86 school year while they prepared for prom and their senior year.

Thirty-three have a drivers license and their favorite eating place is McDonald's with Burger King next and Wendy's last. Only nine get an allowance from mommy and daddy while sixteen others work. Fifteen have their own car while twenty-five have their own pet. Most of them plan to go to college, a few plan to work, and there are a few who still don't know what they want to do with their life. Brown eyes dominate the class and there is one only child.

In the fall they were involved in many sports and activities. At homecoming Missy Watkins served as their attendant. The class sold candy, calendars, and mirrors to raise money. Spring became very busy. Besides participation in sports they also had to prepare for prom. "Stairway to the Stars" was the theme. They picked burgundy and pink as their class colors with a white rose as their flower. "We have climbed the hill together; now we must conquer the mountain alone." was chosen for their

Having soared through their junior year they looked back on the many good times and forward to their senior year.

"Looks Like We Made It"

Preparing for our future it's time to accomplish our goals

Looks like we made it! Our years spent preparing for our future plans is now here and it's time to accomplish our goals.

Nine have stuck it out here thirteen years but when it comes to graduation time, there won't be too many shedding tears because there are twenty-one people continuing school while twelve will work with some kind of tool. Two will go off to serve our country. Twenty-seven have their own bank accounts, the rest rely on their parents for their money. Eighteen seniors own their own car. Their favorite eating place, Monroeville, which will put a smile on our cooks' faces. Seventeen have some special person while the rest fantasize about a boy or girl. No one really likes spring, winter or fall; summer was liked by almost all. Bikinis are worn by sixteen, briefs by ten. Most seniors own some kind of pet, but one has ten chickens, twenty-three pheasants and three raccons!

The school year opened to a lot of new faces including a new Principal and Vice Principal. The seniors showed responsibility and leadership in making it easy for our new administration to learn the ways of MHS.

goodbye to Monroeville High after receiving our diplomas May 30

We witnessed the crowning of our Queen Tammy Smith, along with our senior attendants Gail Burkett and Lou Ann Lasch at the Homecoming assembly October 4, 1985 with Evening Carousel as the theme.

Our cheese and sausage sale was a great success with the money being used for our class trip. Late in January we received our class keys and memory books. Gail Burkett and Brian Liedorff were our king and queen for Hearts Day on February 14, 1986.

As spring approached, many seniors were anxious to graduate but realized that a part of their life had ended and it was time to move on. The prom was an event that many seniors will cherish with the theme Stairway to the Stars.

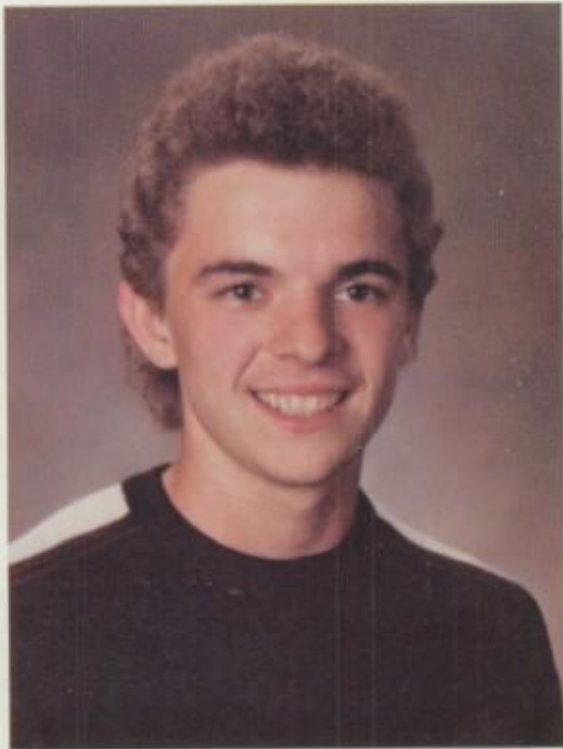

We said goodbye to Monroeville High after receiving our diplomas on May 30, 1986. We will all take with us the memories of friends, teachers, and classes.

The senior class would like to thank all the teachers and people that have helped us in trying to make each and everyone of us a success in whatever we choose to do later in life.

Homecoming

The theme for the 1985-86 Homecoming assembly was "Evening Carousel". The stage was constructed by Mrs. Jeni Oberle, Mrs. Gay Lynn Schafer and the Cheerleaders.

To open the ceremony, Lori Stieber and Jody Heyman welcomed the audience by introducing the 1984-85 Homecoming Queen, Miss Kelly Hepner, and the fighting Eagles. Finally, the 1985-86 Homecoming Court proceeded down the aisle with Queen Tamara Smith.

Debbie Smith stated she was "shocked and surprised" when she heard her name announced as Freshman attendant. Sophomore attendant, Sue Palmer was in the cafeteria taking a test and didn't hear the announcement, she was told later that day. Missy Watkins, Junior attendant, walked into English class tardy, just as they announced her name. All the girls found that their classmates didn't treat them any differently, which made it doubly nice.

an exciting performance to entertain the audience

The High School Band, under the direction of Mr. Martin Hanke, played "The Rose" and "Wake Me Up". The Senior High Choir sang "Truly" while the Junior High Choir sang the theme from "Greatest American Hero". Tammy Bischoff, Stacey Miller, and Kirsten Scheel performed routines to "Born In The USA", "Strut", and "St. Elmo's Fire". The Varsity and Reserve Cheerleaders did an exciting performance to entertain the audience and Monty Kessler showed them his break dancing abilities. They did their routines to "Axel F" and "Reckless".

After the assembly, Vicki Merrill gave the farewell and led everyone in singing the Alma Mater. It was a most enjoyable Homecoming!!!

Couples started to arrive at five o'clock for the Junior-Senior Prom on Saturday, April 26. The theme "Stairway to the Stars" carried out with a spiral stairway clad in angel hair, in the center of the dance floor.

Collen Smith, president of the Junior class welcomed everyone to the prom and Brett Colohan, president of the Senior class, thanked the juniors and their advisors for the hard work with the prom.

Music was provided by "The System." Prince Chris Pheiffer, princess Angie Fowler, king Scott Ryan, and queen Diane Roeder danced to "Can't Fight This Feeling" by REO Speedwagon. Under colored lights, the faculty and students danced till eleven o'clock.

After prom was held at Southwood Racquetball Club in Sandusky. Activities such as volleyball, racquetball, tennis, videos and saunas were enjoyed by all.

"PRETENDER" "CHARMING BILLY"

**It was an entertaining
play for all ages.**

"Irresistibly funny." Charming Billy was a comedy play about believable people in everyday situations. Volunteer-worker-wife Ruth saves an orphaned dog from the pound but her absent-minded, inventor husband Ned, thought "Billy" was a boy. Their teenage daughter misunderstood too and blithely announced that her mother was "expecting". Hilarious complications resulted because Ruth was trying to win an election for a seat in the village council and Ned was trying to promote his flea repellent. The humor was faultless because it built on character and situation, not just funny lines. It was an entertaining play for all ages.

Ellen (Lori Stieber) listens intently while Ruth (Tammy Smith) expresses her situation.

Melanie (Vicki Merrill) tells Cheryl (Jody Heyman) how she would love to go with any senior guy to the prom.

Interviewing Ned Bloom (Robert Cheek), Chris Wilkins (Diane Roeder) finds some interesting facts about the invention.

While Ned (Robert Cheek) confusingly scratches his head he tries to correct one of his outrageous inventions, "Blooms Buy Away."

Jack Tomlinson (Mike Wise) gives Chris Wilkins (Diane Roeder) the hot news as Mrs. Furley (Lisa Cherry) listens.

Ned (Robert Cheek) reports a massacr to the opera

Melanie (Vicki Merrill) slops flea repellent on Cheryl (Jody Heyman) to stop the itching.

Jason (Monty Kessler) is surprised at the appearance of Cheryl (Jody Heyman).

or but doesn't realize it's his flea repellent, not blood.

Ruth (Tammy Smith) cuddles Billy and shows Ned (Robert Cheek) their newly adopted dog.

"A Little Good News"

The 1985-1986 Eagleton staff put out eight interesting issues this year, with only five staff members to do it.

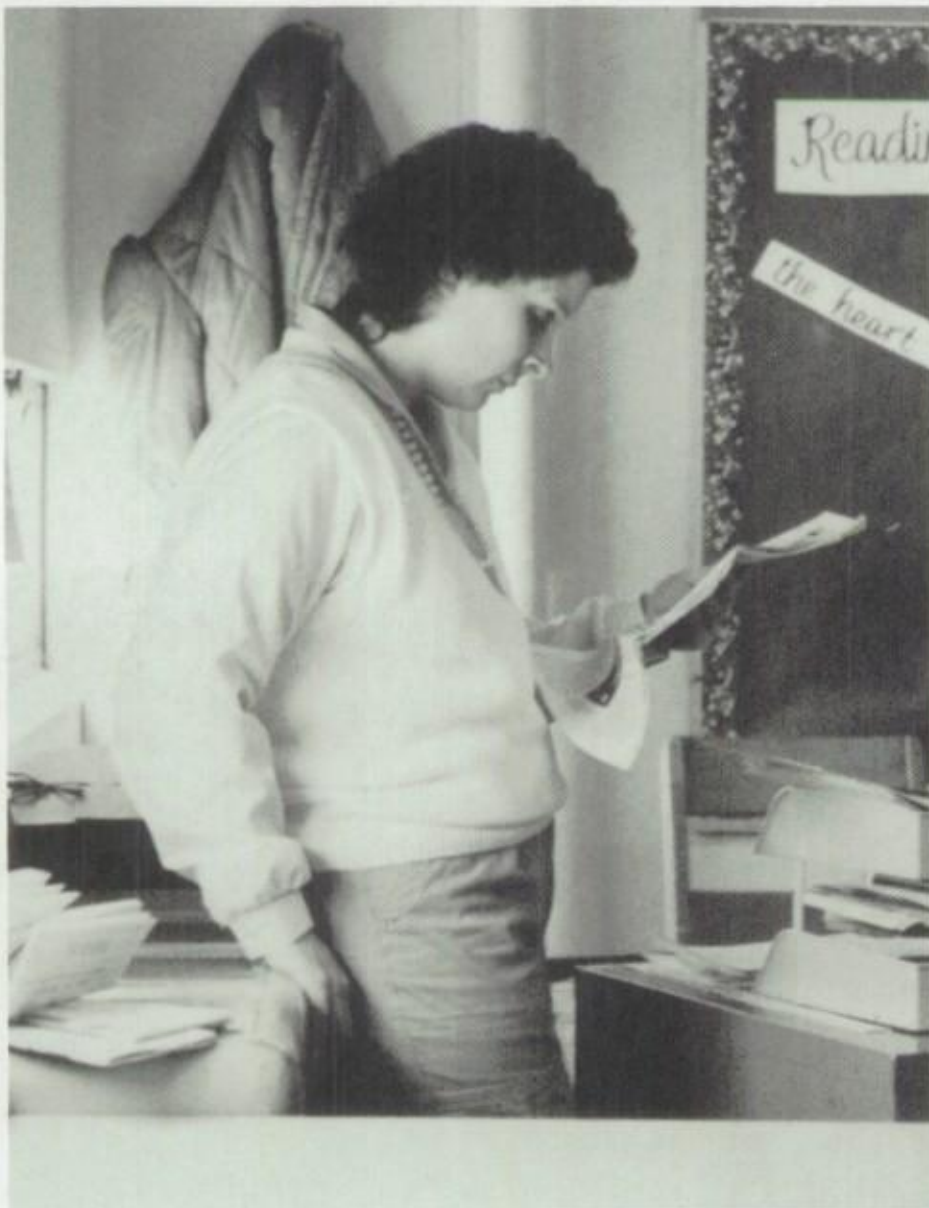

This year's staff consisted of editor in chief Tony Good, who was also in charge of page seven, page one and eight editor Lisa Schwan, page two, four and five editor Lou Anne Lasch, page three editor Julie Gfell, page six editor Mike Wise, and advisor Linda Hutchins.

Eagleton staff put out eight interesting issues

In February the staff submitted three issues to the Great Lakes Interscholastic Press Association (GLIPA) Newspaper Competition at Bowling Green State University. These issues competed against newspapers from AAA schools in the region. The Eagleton received a third place award.

The staff visited the Norwalk Reflector on a field trip to see how the newspaper was published.

Two fund raisers completed were Christmas-O-Grams and the Eagleton Valentine Flower sale. The funds raised from these two, along with proceeds from newspaper sales and advertising, made it possible for the staff to provide the school with eight issues.

Eagleton advisor, Linda Hutchins profs copy for printing.

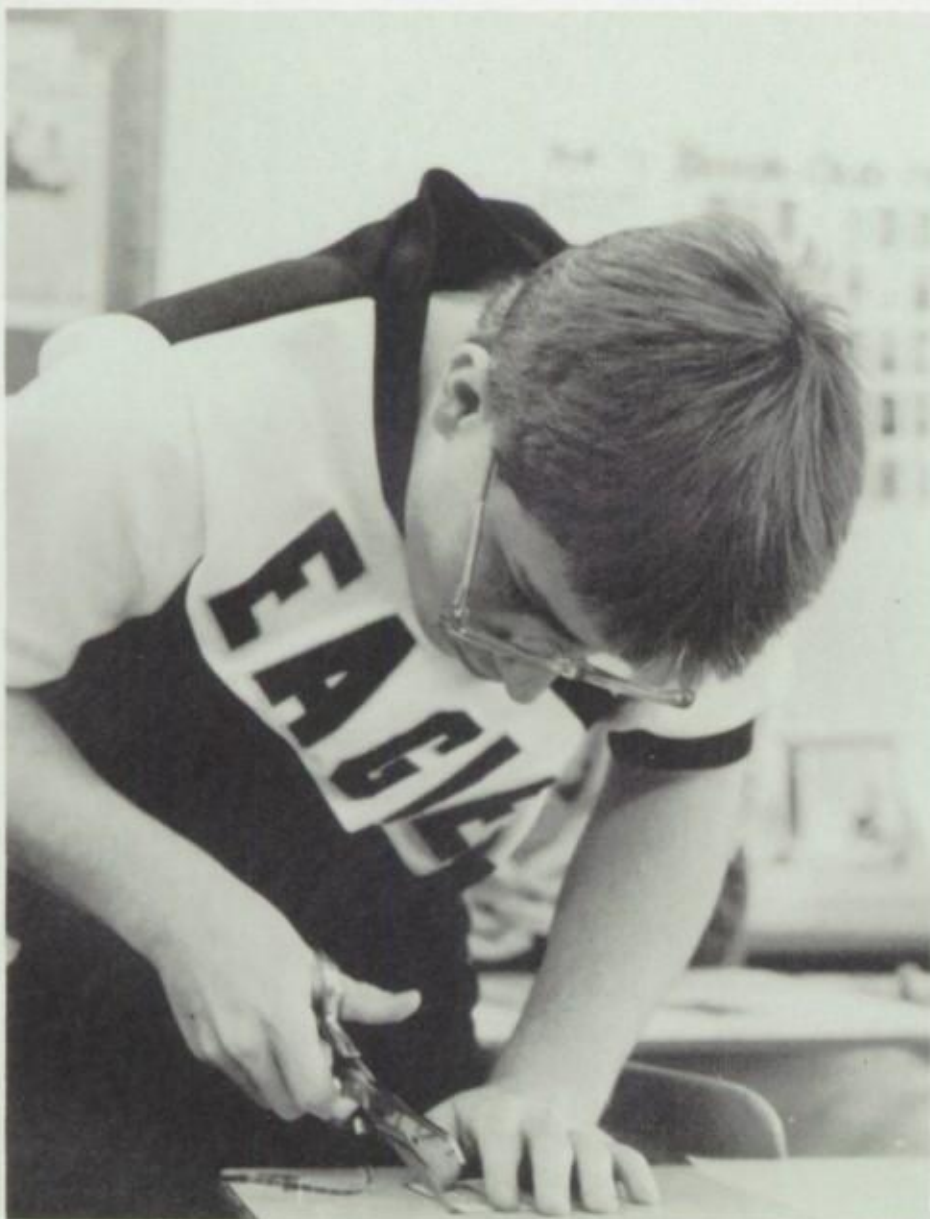

Lou Anne Lasch puts on some finishing touches to the paper.

"Service"

The National Honor Society held several activities this year. With the help of Mrs. Reser, their advisor, they sponsored a dance after the boys' basketball game for a fund raising project. They participated in such community services as transferring books from the Monroeville Public Library to the Ridgefield Township Building for temporary storage while the new building was being built. They took some Christie

Marc Ruggles received his star chapter farmer award along with four proficiency awards. The state farmers degree, which he holds, is the second highest degree bestowed upon FFA members. Marc exhibited a pen of three chickens at the state fair last summer that were judged the grand champions. He earned a record amount at the junior fair auction later that week.

Chapter farmer degrees were awarded to Don Martin, Jerry Stallkamp, Jeff Smith, Eric Miller, Ted Fries, Rich Landoll, Steve Koch, and Brian Kamann. Winning the star greenhand award were Tina Kennedy and David Latteman. Proficiency awards were also given to Bill Carter and Jerry Stallkamp.

We built this Quill on Rock 'n' Roll

The theme for the 1985-86 yearbook is a reflection of the interest in today's entertainment — stars, songs, videos, movies, and television. Surveys were taken in the various classes and the results are included in the class sections. To give unity, we developed the 4 point tool line as a design element to emphasize areas.

we again are able to give you sixteen pages in color

The staff spent many hours taking pictures, doing layouts, cropping photos, doing write-ups, and typing. Many hours were spent selling ads, working the concession stand at all home basketball games, selling candy after school and of course on yearbook sales. With the financial assistance of the senior class, we again are able to give you sixteen pages in color.

Staff members Troy Barman, Vickie Farmer and Lisa Wheeler spent a Saturday at Woodard Photographic for a workshop. They learned how to take and develop pictures, importance of background lighting and the studio facilities available for senior portraits.

We hope you appreciate our efforts and enjoy remembering Rock 'n' Roll from 1985-86.

"We Are The Champions"

Monroeville claims first title since 1978

The Eagle defense "bent a lot" but came up with the big break in the clutch to turn back South Central 11-8 for the Firelands Conference opener at Marsh Field. The Eagles scored in the third period on a twenty-one yard field goal by Chris Pheiffer. They went ahead in the game when Kevin Smith scored a touchdown from five yards out. Kevin then ran for two points giving Monroeville the 11-8 lead.

Sophomore quarterback Kevin Smith hurled two touchdown passes, Brian Liedorff returned the second half kickoff seventy-five yards for another score, in sparking Monroeville to a 31-13 win over Plymouth.

The Eagles recorded their next win by blanking New London 32-0. Kevin Smith led the Eagles on the ground with 103 yards in five carries, and dominated the contest by picking up 219 yards on the ground and another 111 in the air.

The Eagles, forcing defending conference co-champion Western Reserve into six turnovers, extended their winning streak to four following a 21-0 blanking of the Roughriders. Robert Cheek and Chris Pheiffer each had two interceptions as the Eagle defense came up with five in all and also had a fumble recovery.

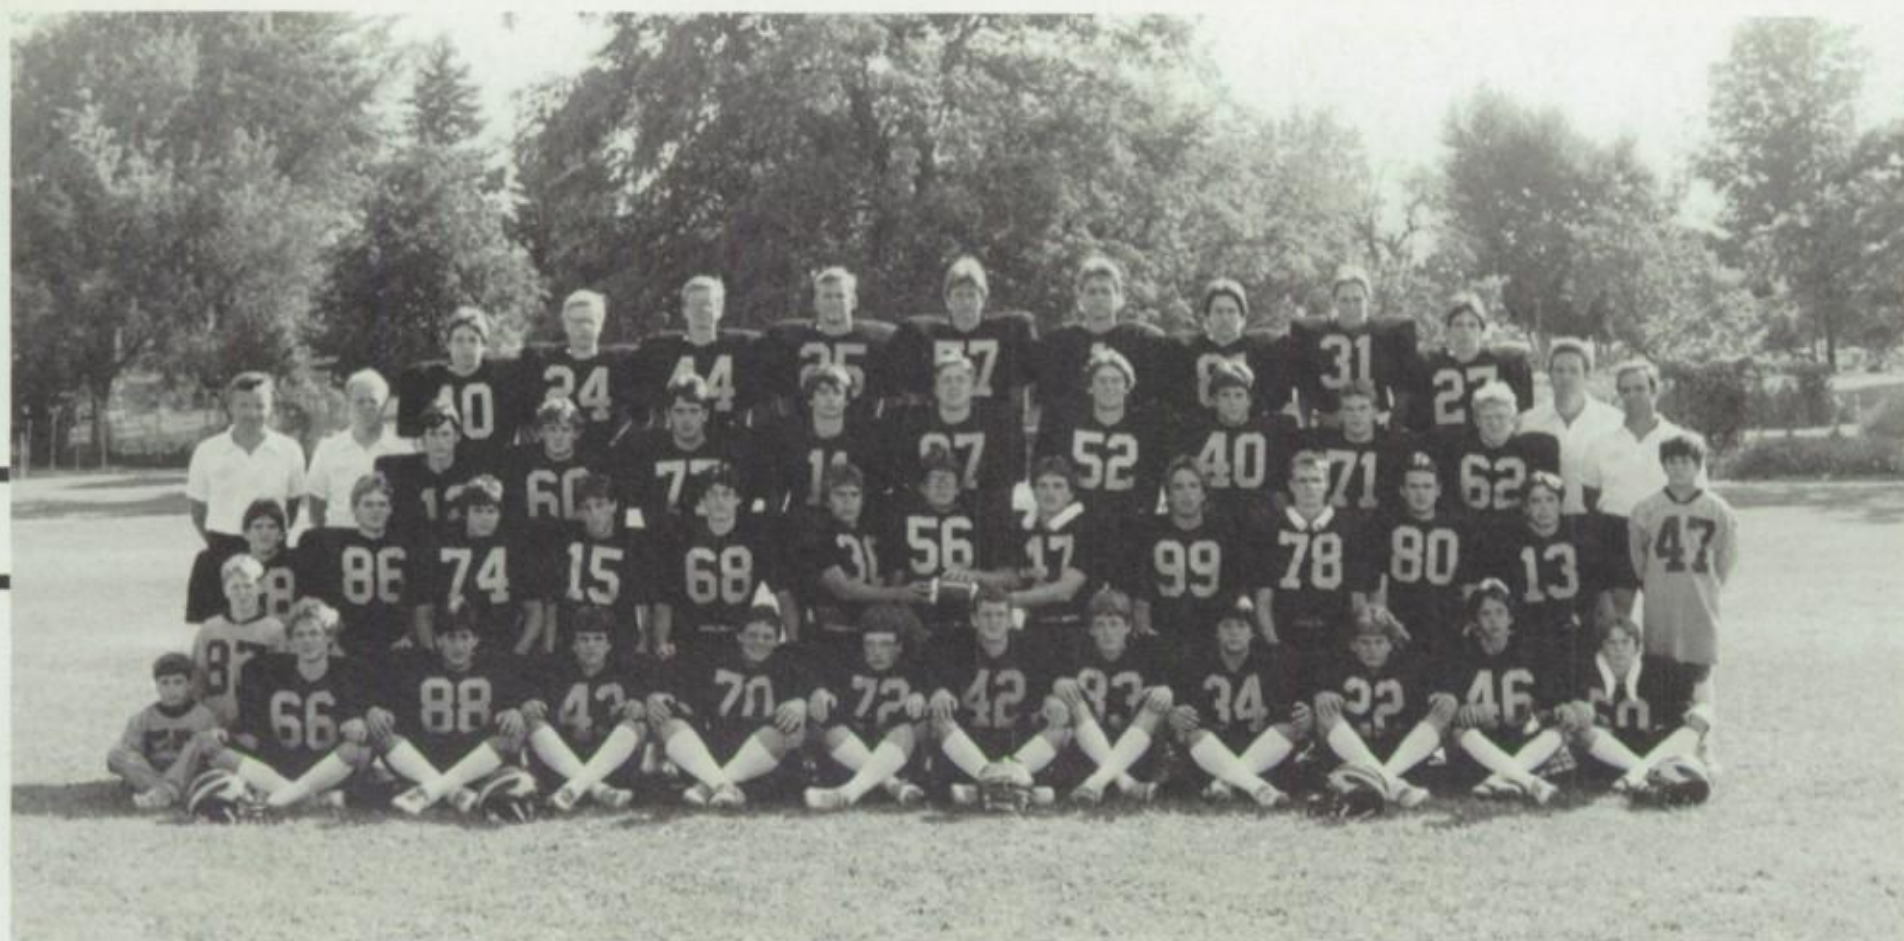

Monroeville saved the best for last and came up with an 87 yard scoring drive in the final minutes to rally past St. Paul 13-9 and win the northern crown. The key play came on a fourth-and-five situation. When the Eagles lined up in punt formation, the snap went to Robert Cheek who passed 17 yards to Chris Pheiffer for the first down to the 16. Quarterback Kevin Smith then hit Jeff Winslow on a 13-yarder the next play and Brian Liedorff

to win the title again."**

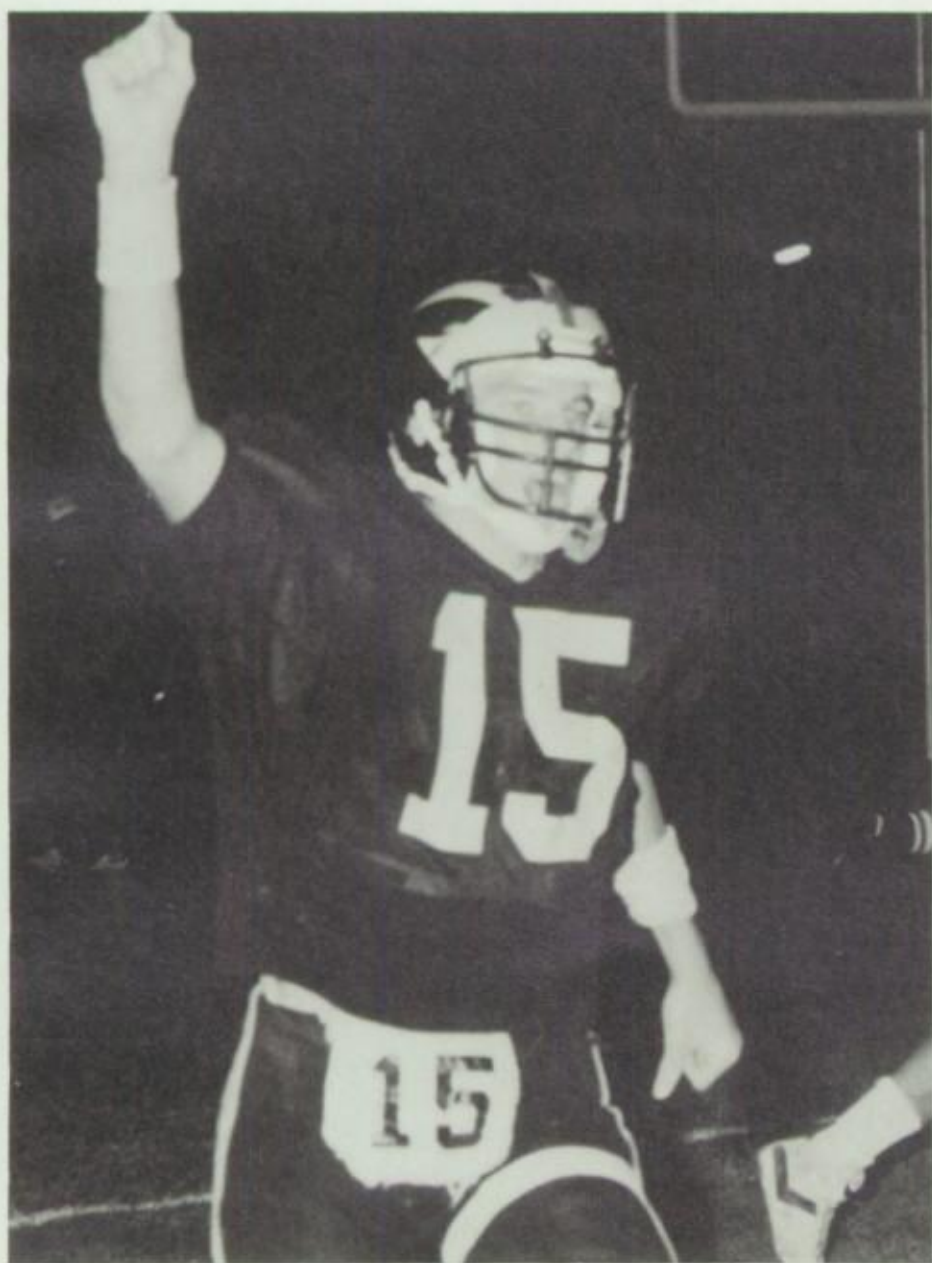

followed with the score.

"It was sure great to win the title again. We last won the championship in my first year (1978). Since then, we had finished second every year but one and was always in the hunt," stated Coach Steve Ringholz.

The Eagles wrapped up their winning season with a 14-0 victory over Edison. Monroeville was clearly the better team as they outgained Edison 192-99 on the ground and got 113 yards in the air while the Chargers failed to complete a pass. The Eagles got 20 first downs and spent most of the game on Edison's half of the field.

"Against The Wind"

This years girls and boys Cross Country teams had a mixture of experience and inexperience. Yet, what they lacked in experience they made up in determination.

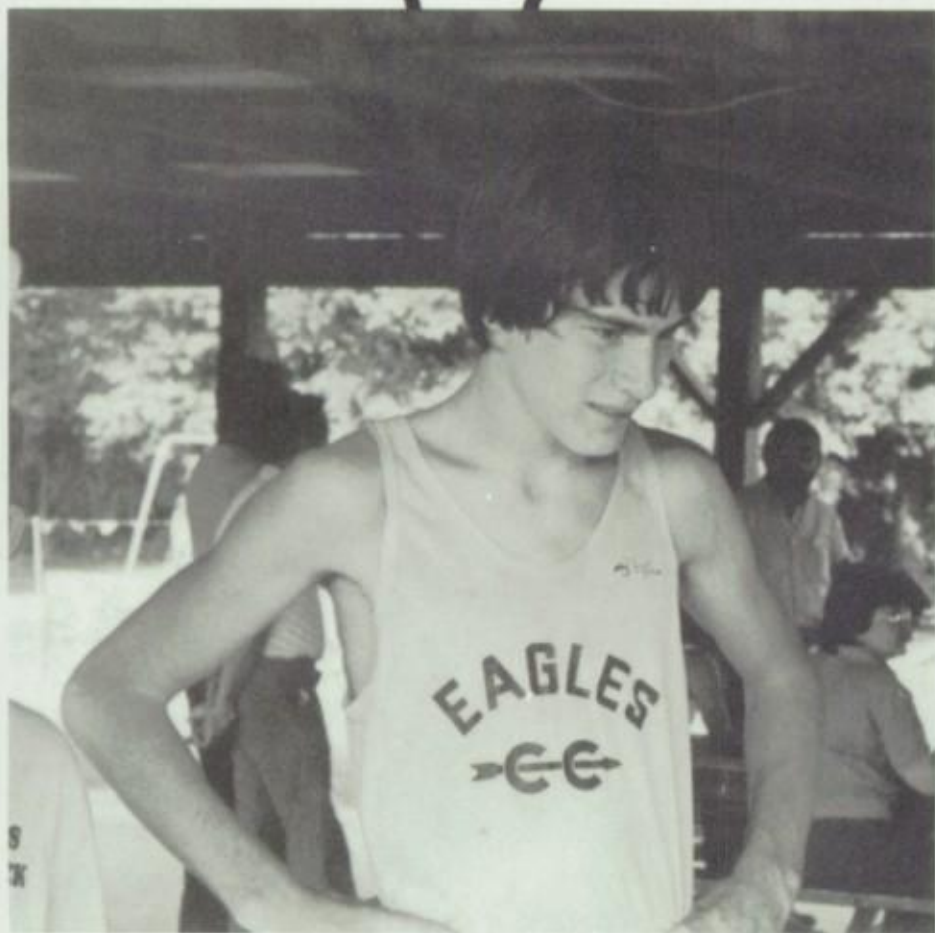

The girls team struggled all year to keep a full team of five runners competing. At the conference meet the girls finished fourth out of seven teams and went on to finish ninth out of fourteen teams at the Regional meet. Leading the way for the girls was freshman Tonya Good who finished second in the conference, second at the Regionals and fifth at the State meet. Tonya became the first girl to qualify for the State Cross Country meet, to qualify as a freshman, to finish in the top twelve runners in the State, and the first to garner All-Ohio status in Cross Country. Tonya broke the girls' school record on three different occasions.

The boys team continued their winning ways by receiving two runners-up trophies (Old Ford Invit. and Ontario Invit.) and finishing third out of ten in the conference. At the conference meet, Jon Morrow

first girl to ever qualify for the State Cross Country

became the first Monroeville boy to finish first overall. The boys really ran up to par at the District meet finishing third out of sixteen teams to qualify for the Regionals, thus becoming only the second team in the school's history to qualify for the Regional. The team consisted of Jon Morrow, Tony Good, Troy Barman, Bryan Missig, Jeff Walton, Tom Sweet, and Travis Barman. At the Regional meet, the boys finished sixth out of eight teams and qualified two individuals Jon and Tony for The State Cross Country Meet. This marked the first time that more than one boy (or girl) has qualified for the State meet at one time for Monroeville.

Jon and Tony went on to finish forty-first and fifty-seventh out of 136 runners at State. They finished out their Cross Country careers as the top two runners on a list of the top forty for 5000m.

"WINNERS TAKE ALL"

The 1985-86 volleyball season was a great success. With the experience of the four returning lettermen, the youth of the upcoming players and the foundation set from the previous year, the Eagles took flight into the season with great expectations.

The "Crunchers" finished the season with a fine 17-7 record. The Ashland Crestview game was exciting even though it ended in a loss. At the time of the match, Ashland was ranked first in the state. The match went three games with the "Crunch Kids" winning the second game 16-14 and losing the first game and the final game by a 15-13 margin.

The "Crunch Kids" were as much a team off the court as on it. On mornings before a tough match

'Cause we're winners, And winners take all!

they got together for "D-Day", with doughnuts and juice to psyche themselves up for the match that night.

The girls brought home the first sectional champ trophy ever. They defeated New London and Seneca East in the finals to claim the title.

Senior co-captains Lou Anne Lasch and Diane Roeder will be greatly missed for their leadership, dedication and spirited attitudes.

District 6 second-team awards went to Lou Anne Lasch and Missy Watkins with Lou Anne competing in the All-Star match on November 14. Honorable Mention awards were given to Diane Roeder and Colleen Smith.

Area awards were given to the same four girls. Lou Anne received first team honors. Diane and Missy received second team honors while Colleen received honorable mention.

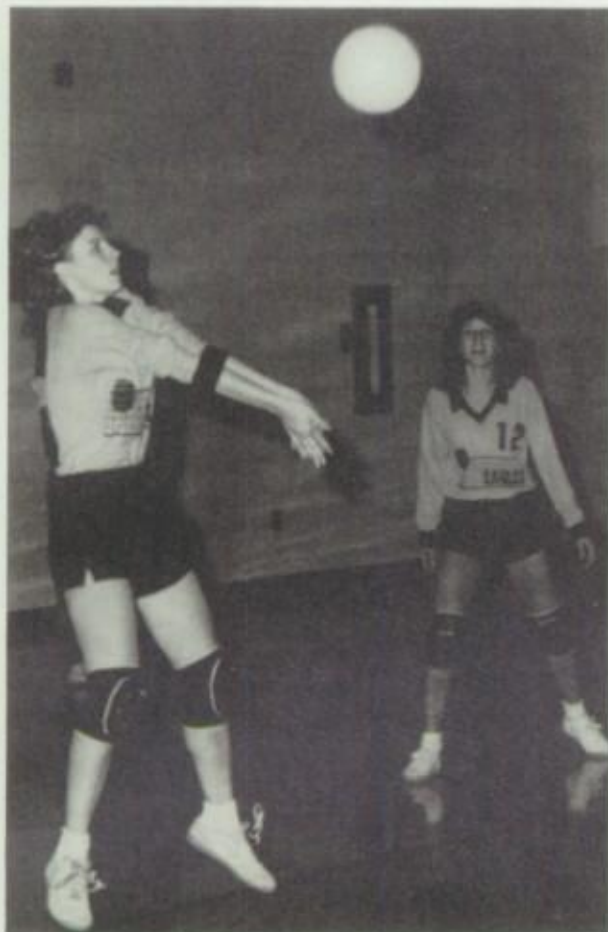

Most Improved Player award was given to Kim Ruffing. Lou Anne Lasch received the Best Offensive trophy. Best Defensive honors were given to Colleen Smith. Sandy Stieber received the Best Mental Attitude award. Missy Watkins was chosen as the Most Valuable Player.

"Their Playing Basketball"

The boy's varsity team ended their winning season with a 12-8 record. Quickness and aggressive attitude were two of the things which lead the Monroeville team onto victory. Another was that the boys were dedicated to their team and it showed on the court. Throughout the season the boys won and lost

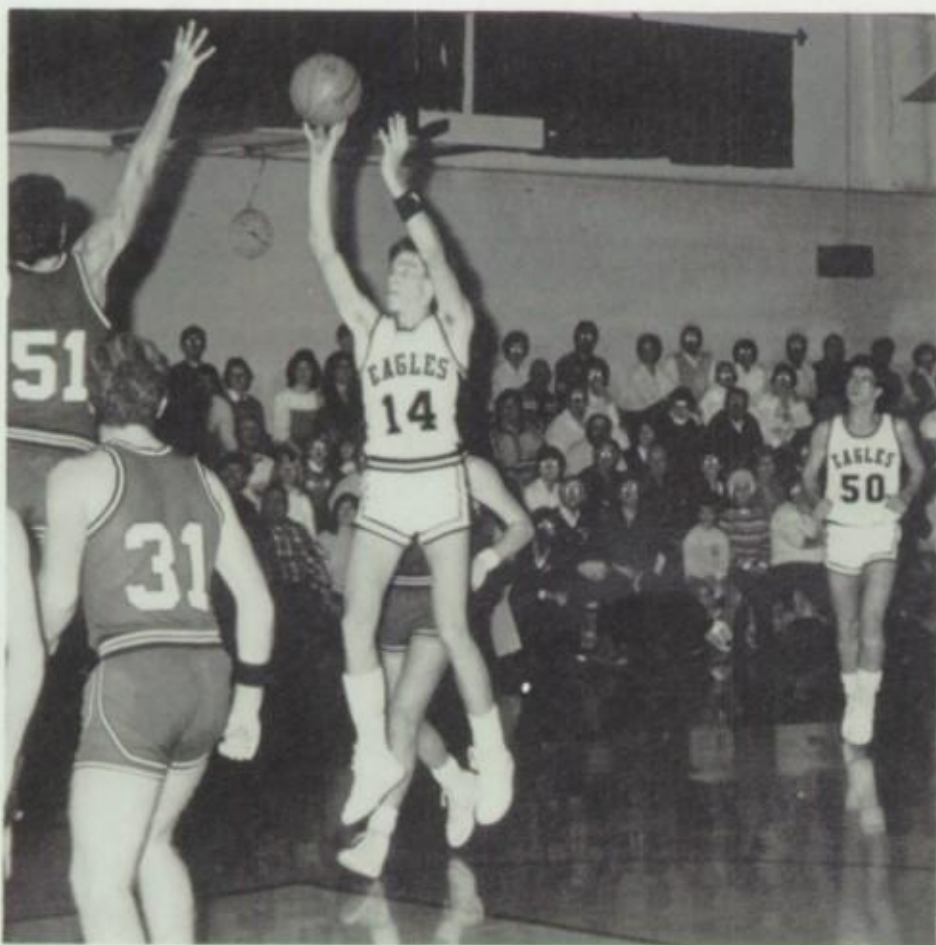

Quickness and aggressive attitude were two of the things

and during it all they showed sportsmanship and respect for the opposing team. They should be proud of their team as they worked hard and played fair.

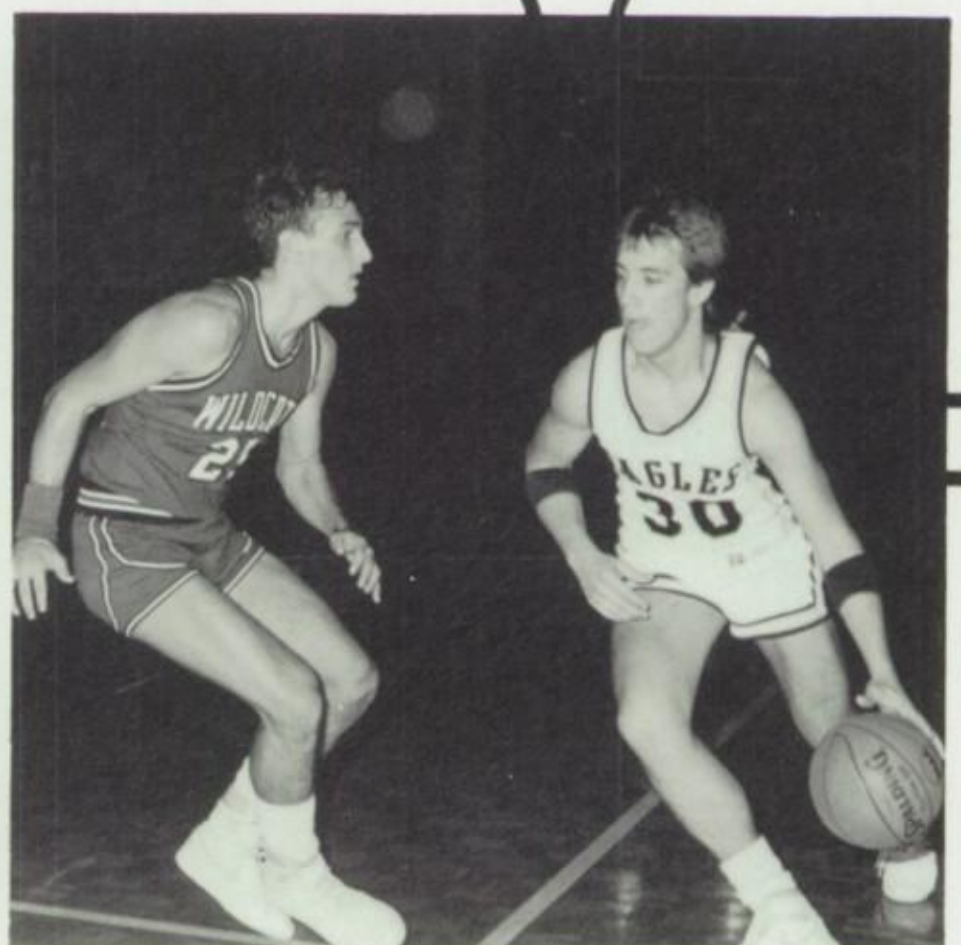

We had eight senior boys who lead the team. They played a quick moving game and were always after the ball. These eight lead the team to its many victories and we'll be sad to see them leave this year.

Coaching this year was first year coach James Dillard who gave his team a workout. Mr. Dillard taught them about dedication and hard work.

The following awards were presented at the end of the season: Best Free Throws; Ron Stang, Most Valuable Player; Jeff Winslow, Most Rebounds and Eagle of the Year; Tim Jordan, Most Coachable; Brett Colohan.

"Let's Get Physical"

The wrestling team ended their season with a record of 0-8 in their dual meets. Coach Brown quoted that he didn't think that the "team" record was as significant as the progress and individual accomplishments this year. Some of these accomplishments came about in the St. Peter Tournament with Travis

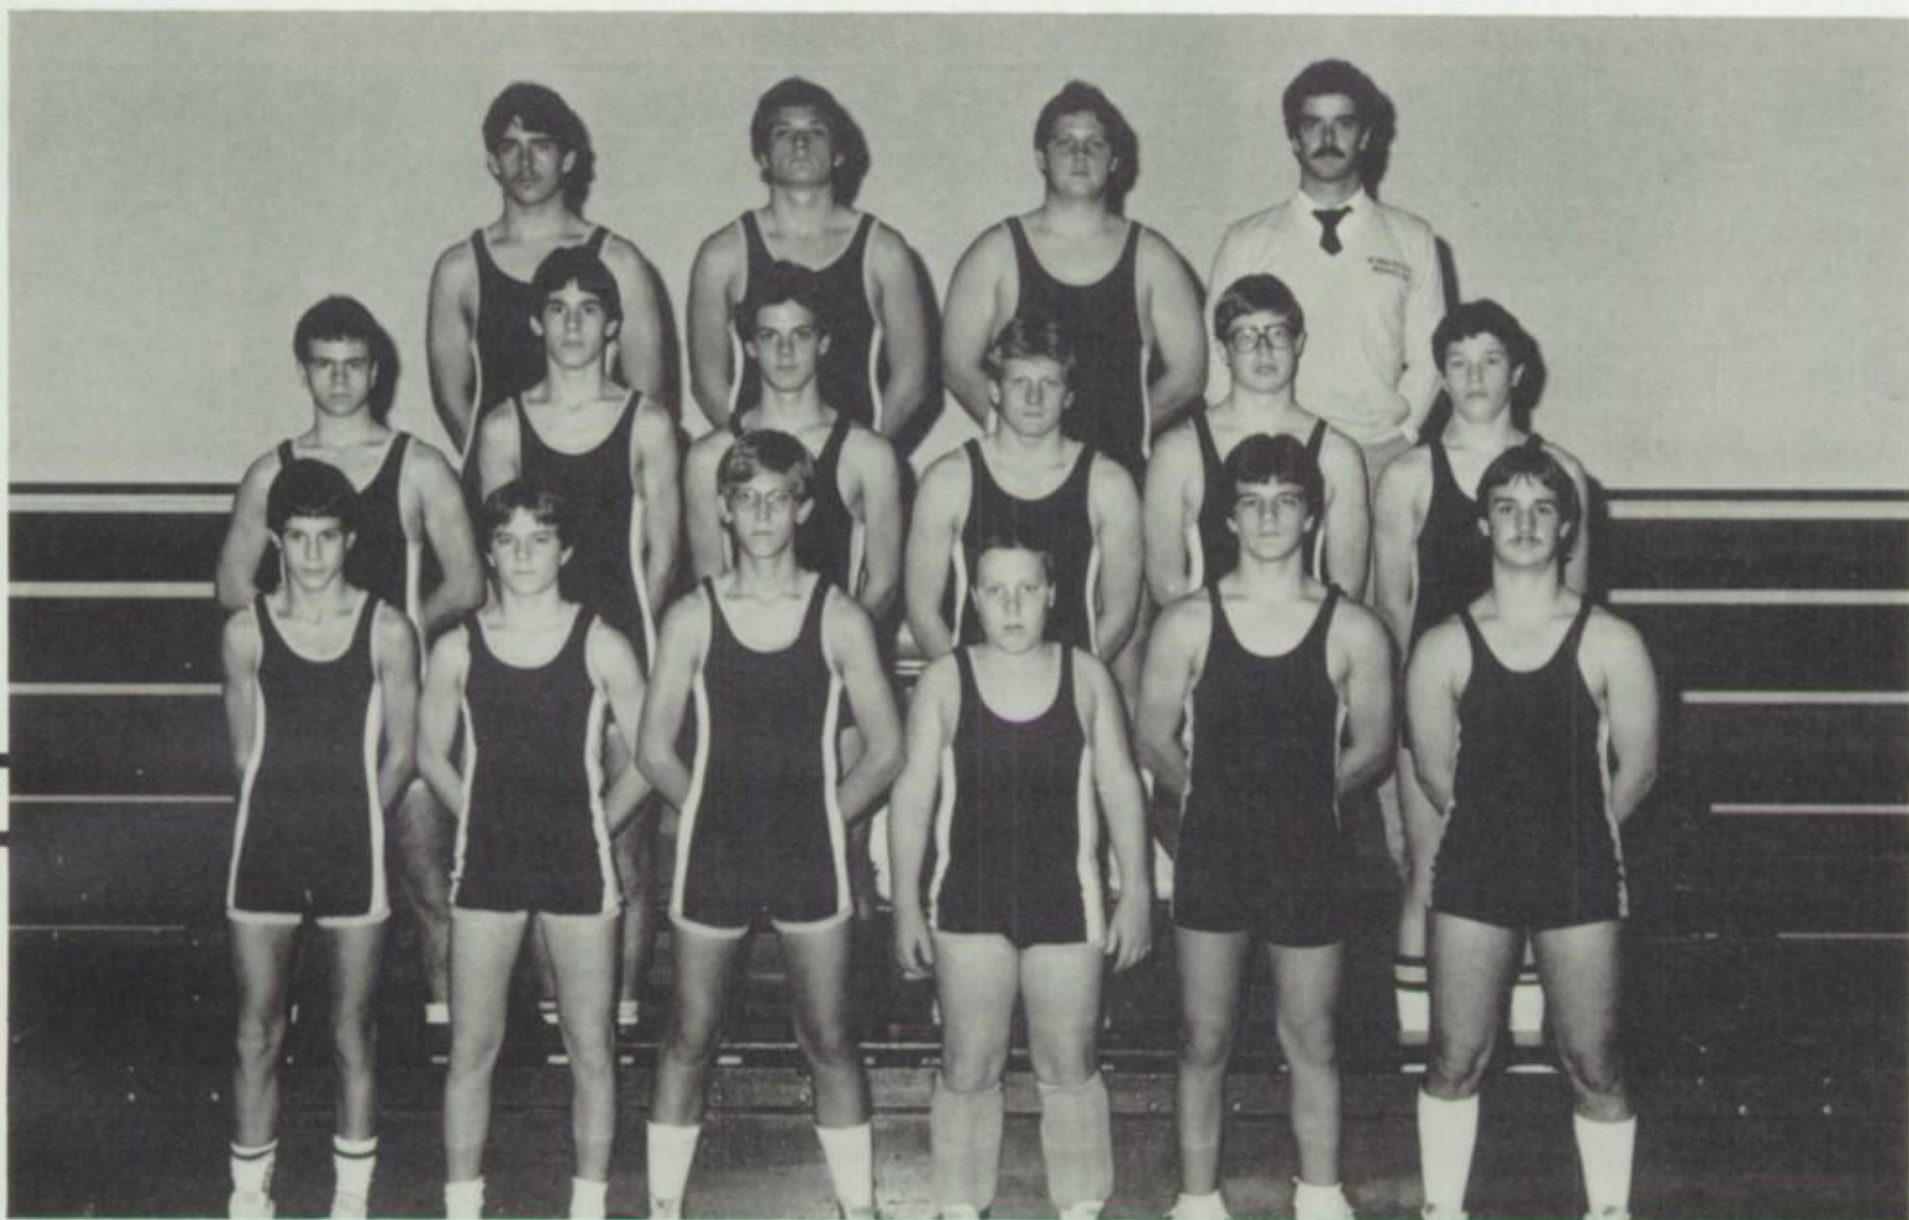

Travis was the only one to continue onto regionals.

Barman third, Dean Smith, Tim Wallen, and John McKown fourth, and Mike Hyde fifth. Chris Smith also finished fourth at the St. Joseph Invitational. The dual meets were rough on us; we lacked confidence, and above all, experience. Some of us regained this at Firelands Conference. Troy Barman and Don Lyons finished third and fourth respectively at Conference. Travis was the only one to continue onto to Regionals placing second at the Districts.

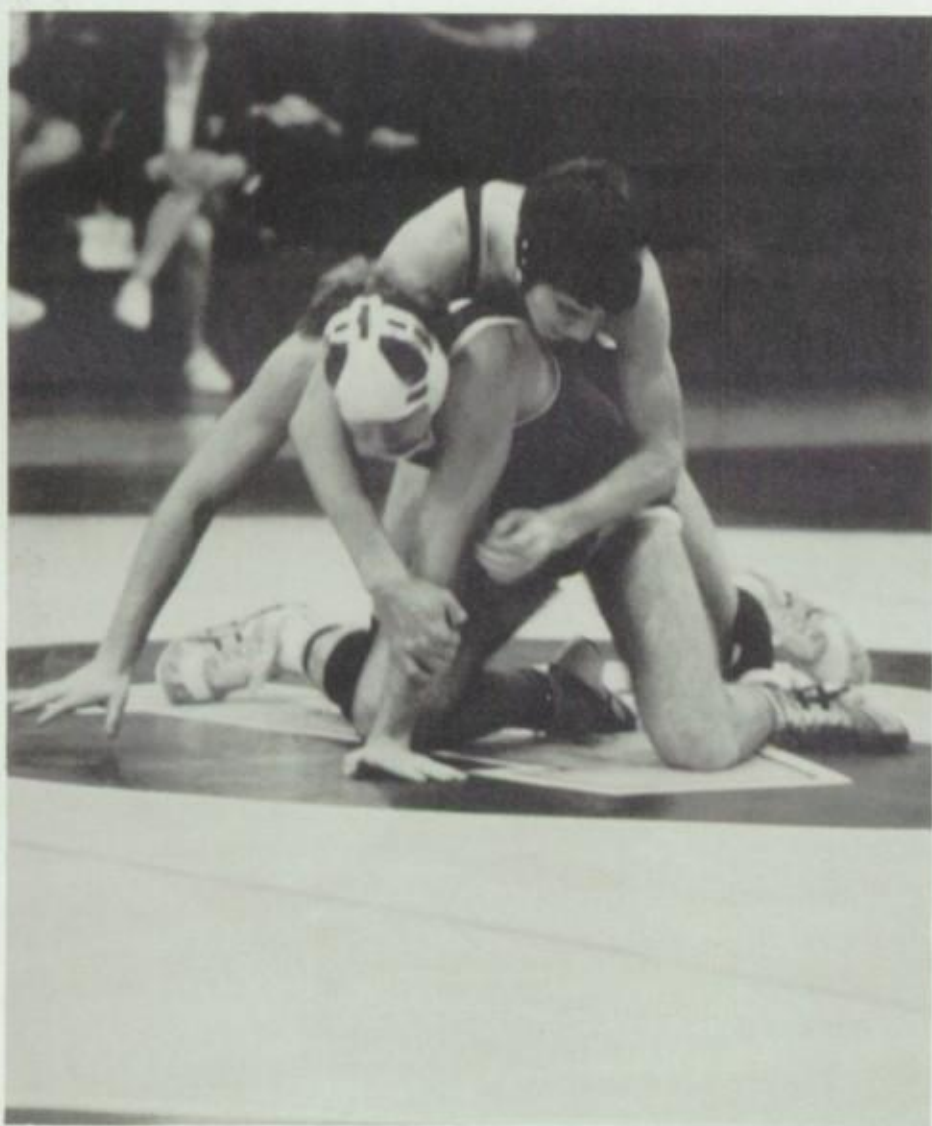

"Over all we had a decent year, the kids had to get used to me and work my style of wrestling and I had a very young team to work with. I'm looking forward to next year, we'll see a dramatic change," said Coach Brown.

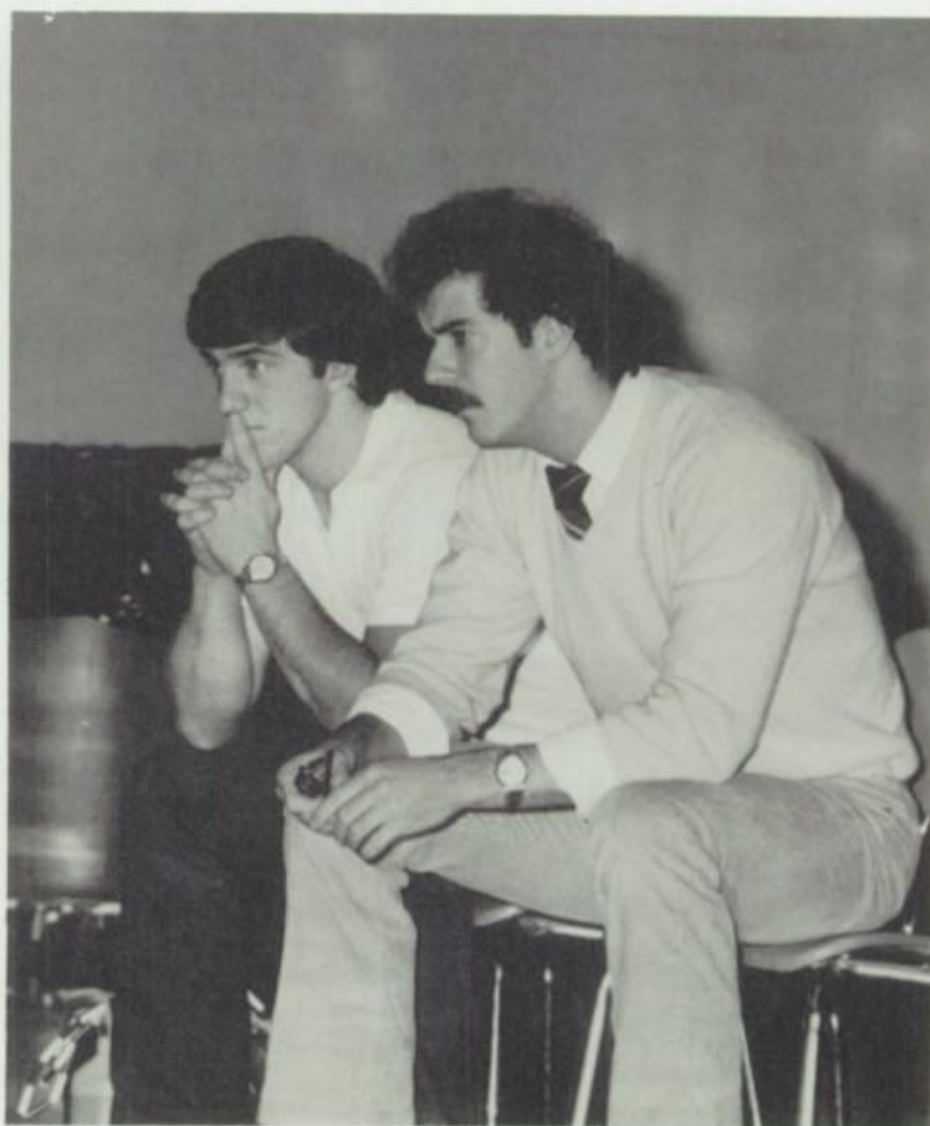

Dean Smith awaits the referee's decision of a pin.

"Never Surrender"

With the thoughts of "Never Surrendering", the girls' basketball team set a pre-season goal of exceeding 500. Our team endured injuries and heart-breaking defeats while pursuing that goal. With a lot of dedication and hard work, we finally arrived at the sectional tournament with a 10-10 record (7-6 conference). To achieve our goal we would have to make it out of the sectionals. We defeated St. Paul, thus qualifying for the finals against the favorite, Tiffin Calvert.

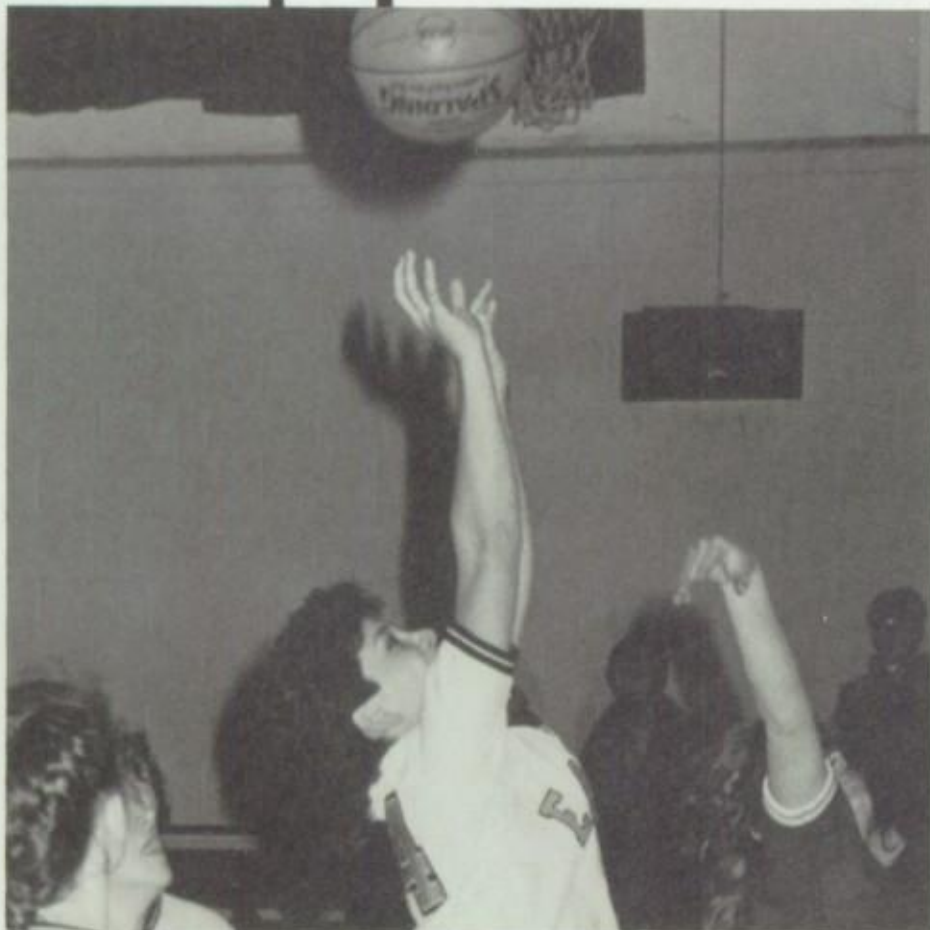

As the waning seconds ticked away, we realized that we had defeated Calvert and captured a dream of bringing a Sectional Championship back to MHS. The joy of that night will be engraved forever in our minds.

Though we were defeated the next week by State Semi-finalist Buckeye Central, we had accomplished our goal and were rewarded with an honor beyond our expectations. The team ended its rollercoaster season with a 13-12 record and the championship.

Our team endured injuries and heart-breaking defeats
